Moody Publishers. Paperback. Book Condition: New. Paperback. 96 pages. Sex isnt everything that the world makes it out to be. Its more. This is a book about sex, for those who think about it. And if were honest, thats everyone. Sex dominates our popular culture to a degree weve never seen before. Our worldtells us that our sexuality is ours to do with as we please. Perhaps youve heard the phrase YOLO - You Only Live Once! Were meant to believe that since we only have one life, we should do whatever it is that we want with that life. But if we only have one of something, shouldnt that mean that we treat itwith care and use it as it was designed to be usedGod tells us that our sexuality is valuable and needs to be treated as such. The unrestricted sex of our culture is only a shortcut to personal fulfillment and, sadly, a cheapened imitation of the real thing. Pastor Tony Evans refuses to let the voice of God be drowned out amidst the clamor of the crowd. Crafting an argument that draws on everything from the basic science of hormones to the original Hebrew language used in the Bible to describe sex, you will discover why your sexuality is so important and why misusing it can be devastating. Whether you are single or married, discover how to enjoy true intimacy - the real fulfillment and satisfaction that God intended. This item ships from multiple locations.
