General Accounting Office, 2003 OCLC Number: (OCoLC)53862968 Subject: Small business -- Government policy -- United States. Excerpt: . . . The Veterans Corporation officials said that progress on programs has been Initial Challenges Slow hampered by their inability to collect information from government Progress of The Veterans sources on military personnel transitioning to civilian life and existing Corporations Programs and veteran-owned businesses. One of the officials explained that the success Initiatives of programs such as The Veterans Marketplace and VET program is largely dependent on their ability to identify and reach transitioning service members and veteran-owned businesses. The Veterans Corporation officials said that if they were not successful in obtaining this data, they would have to rely on developing data from attendance lists from their training and education programs and other available sources. Officials stressed that this would slow the development of a client database. The Veterans Corporation has requested information from DOD and VA, Privacy Issues Prevent respectively, on (1) military service members nearing retirement or Government Agencies from separation and (2) veteran-owned and service-disabled, veteran-owned Sharing Information on Veterans; businesses. Both DOD and VA officials said that privacy laws prohibit them Publicly Available Data Are from providing personal information such as names and addresses of the Limited military and veteran population. A DOD official stated that their policy prohibits them from releasing private information on enlisted military to any public or private organization. The DOD official further cited a November 9, 2001, memorandum for DOD Freedom of Information Act Offices that supports the withholding of personally identifiable information for security reasons in response to the events of September 11, 2001.
