

How to Read the Bible

By Richard Holloway, Simon Critchley

WW Norton & Co. Paperback. Book Condition: new. BRAND NEW, How to Read the Bible, Richard Holloway, Simon Critchley, The How to Read series provides a context and an explanation that will facilitate and enrich your understanding of texts vital to the canon. These books use excerpts from the major texts to explain essential topics, such as the definition and role of God in the Bible, the most influential book in human history. The trouble with reading the Bible is that it claims to be God's autobiography; so the first thing readers must do is decide what they understand about God and how they are going to interpret his role in the rambling library of books that claims his authorship. Richard Holloway offers a usefully dialectical approach to this central question that will allow unbelievers as well as believers to profit from a study of the most influential book in human history.

Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Isaac Olson**

Comprehensive information for book fanatics. It had been written really completely and useful. I am happy to explain how this is the greatest publication I have read through in my very own life and can be the finest PDF for ever.
