By Wayne Whipple

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Abraham Lincoln (1809-1865) is one of the most famous Americans in history and one of the country's most revered presidents. Schoolchildren can recite the life story of Lincoln, the Westerner who educated himself and became a self-made man, rising from lawyer to leader of the new Republican Party before becoming the 16th President of the United States. Lincoln successfully navigated the Union through the Civil War but didn't live to witness his crowning achievement, becoming the first president assassinated when he was shot at Ford's Theater by John Wilkes Booth on April 14, 1865. History has accorded Abraham Lincoln a spot in the pantheon of American politics for the manner in which he steered the Union to victory and into the Reconstruction period after the war.
