ALL THE CONSPIRATORS (PAPERBACK)

New Directions Publishing Corporation, United States, 2016. Paperback. Book Condition: New. Reissue. 203 x 132 mm. Language: English . Brand New Book. Christopher Isherwood was only twenty-one when he began his first novel, *All the Conspirators*. In his introduction to the American edition, Isherwood explains: "All the Conspirators records a minor engagement in what Shelley calls the great war between the old and young. And what a war it was!" In many ways this novel (like the classic *Berlin Stories*) is a period piece growing out of a particular historical situation—clashes between parents and children with all their passionate moral struggles. Isherwood's vivid portrayal of an older generation trying to hold on while a younger generation tries to wrench free still resonates and disarms.
