

Communication Disorders in Spanish Speakers: Theoretical, Research and Clinical Aspects

By Jose G. Centeno, Raquel Teresa Anderson, Loraine K. Obler

Channel View Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Communication Disorders in Spanish Speakers: Theoretical, Research and Clinical Aspects, Jose G. Centeno, Raquel Teresa Anderson, Loraine K. Obler, This book bridges the gap in the literature on Hispanic individuals for student clinicians and professionals in Speech-Language Pathology/Speech Therapy. It links empirical and theoretical bases to evidence-based practices for child and adult Spanish users. This volume provides both students and licensed professionals in speech-language pathology much-needed multidisciplinary bases to implement clinical services with Spanish speakers. Researchers and practitioners from Speech-Language Pathology, Neurolinguistics, Neuropsychology, Education, and Clinical Psychology provide theoretical and empirical grounds to develop evidence-based clinical procedures for monolingual Spanish and bilingual Spanish-English children and adults with communication disorders.
