To cater to that need, it has been an abundant pleasure to write this book. It will be even a greater pleasure to observe that it will be received in the same spirit, in which it has been written. We are all busy and galloping ahead in frenzy most of the time, but there comes the quiet hour, when we must sit still and take stock of our life. There is a need to relax, pause and ponder. I have weaved together motivational success principles in story form in this book to inspire you in day-to-day life. It is going to make an interesting reading and at the same time it will give you enough food for thought. This motivational fiction demonstrates how you can love unconditionally, live...
