Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Michael Llewellyn is the author of eighteen published novels in multiple genres. Still Time is his first foray into time travel as he transports his heroine into the past. Madeleine St. Jacques, 33, is a New Orleans librarian with a penchant for history and amateur sleuthing. Her paramour and partner in time crime is Henri Chabrol, 42, a Tulane University professor with access to parallel universes via the mysterious August Ones. Madeleine's goal is to repair potential tears in the curtains of times past, a destiny that triggers challenging, often perilous exploits. Still Time catapults Madeleine to 1861 New Orleans, where she encounters a topsy-turvy world of black masters, white slaves, glamorous courtesans of color and assorted shady souls who create escapades at every turn. As civil war erupts and the city falls under siege, Madeleine experiences love, death and devastating betrayal as she battles to keep history from veering off course and learns the truth about why she was sent back in time. It is, most of all, a voyage of self- discovery. Warned by a voodoo priestess that a mysterious Spaniard holds the key...
