

Interactive Project Management Pixels, People, and Process Voices That Matter

By Nancy Lyons

New Riders. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 8.9in. x 6.9in. x 0.5in. As an industry, interactive is different. The work entails elements of software development, marketing, and advertising, yet its neither purely technical nor traditional agency work. Delivery methods are different, and because the industry is relatively new, the gap in understanding between the clients buying the work and the teams building it is often wide. Enter the geek girls guide. Nancy Lyons and Meghan Wilker dont just tell you how to deliver digital work, they demonstrate how to think about it. Interactive Project Management: Pixels, People, and Process helps clients, agencies, and industry professionals better understand the critical role of interactive project management, and presents a collaborative, people-focused approach to delivering high-quality digital work. In this book, the authors: Define the unique characteristics of interactive projects Explain the importance of emotional intelligence in the workplace Discuss communication techniques that help teams work together more efficiently Outline a process and specific deliverables that clarify how to think about critical aspects of a project Provide questions, tasks, tips, and advice that effectively move teams from initiation to launch This item ships from multiple locations. Your book may arrive from...
