ESSAYS ON TEACHING SCIENCE

Discovery Publishing House Pvt. Ltd., 2011. Hardcover. Book Condition: New. Science is a systematic enterprise of gathering knowledge about nature and organizing and condensing that knowledge into testable laws and theories. As knowledge has increased, some methods have proved more reliable than others, and today the scientific method is the standard for science. It includes the use of careful observation, experimentation, measurement, mathematics, and replication to be considered a science. Now, the teaching of science is made a school across...
