The Mythology of Greece and Rome: Presented with Special Reference to Its Influence on Literature (Classic Reprint) (Paperback)

By Arthur Fairbanks

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Mythology of Greece and Rome: Presented With Special Reference to Its Influence on Literature For more than two thousand years Greek Mythology has been the subject of systematic treatises, but even so old and familiar a subject may demand an occasional restatement, either to meet the needs of a new generation of readers, or to incorporate the results of further investigation. During the last twenty years Roscher's Lexikon der griechischen und romischen Mythologie has been appearing slowly, and with articles more and more carefully written; many important articles on mythological subjects are found in the earlier volumes of Pauly-Wissowa, Realencyclopädie der klassischen Altertumswissenschaft; and the first volume of the new edition of Preller's Griechische Mythologie, prepared by Robert, has been published. To this last volume, which should be the basis for all future work in this line, I wish to express my special indebtedness. The nature of the present book has prevented me from acknowledging in detail the suggestions I have received from these and other recent contributions to the subject. In...

Reviews

Extremely helpful for all class of folks. I really could comprehend almost everything using this written e publication. You will not feel monotony at any time of the time (that's what catalogs are for about in the event you check with me).

-- **Prof. Melyna Dooley V**

It is one of my personal favorite books. Sure, it is engaging, and continues to be an amazing and interesting literature. I am quickly able to possibly get a enjoyment of looking at a published book.

-- **Wellington Rosenbaum**
