DOCTOR COPERNICUS

To get **Doctor Copernicus** PDF, make sure you follow the button under and download the file or get access to additional information that are related to DOCTOR COPERNICUS book.

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Doctor Copernicus, John Banville, 'Banville is superb .there are not many historical novels of which it can be said that they illuminate both the time that forms their subject matter and the time in which they are read: Doctor Copernicus is among the very best of them' - "The Economist". The work of Nicholas Koppernigk, better known as Copernicus, shattered the medieval view of the universe and led to the formulation of the image of the solar system we know today. Here his life is powerfully evoked in a novel that offers a vivid portrait of a man of painful reticence, haunted by a malevolent brother and baffled by the conspiracies that rage around him and his ideas while he searches for the secret of life. 'Banville writes novels of complex patterning, with grace, precision and timing' - "Guardian". 'With his fastidious wit and exquisite style, John Banville is the heir to Nabokov' - "Daily Telegraph". 'A tour de force: a fictional evocation of the great astronomer which is exciting, beautifully written and astonishingly redolent of the late medieval world' - "The Times".
