Createspace, United States, 2011. Paperback. Book Condition: New. Katya Miltimore (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In this magical tale a little girl takes young readers on a daylong journey through the treetops, sky and murky pond waters with the help of a magic willow. Five poems describe adventures that could certainly happen in your own neighborhood. Illustrations throughout the book are created using craft paper and willow branches. Recommended for readers ages 7-10. This book is inspired by a beautiful neighborhood willow tree and my own children and their limitless imagination. Written and illustrated in Olympia, WA in 2009-2011. First reviews are in! The poetry has beautiful, sing-song feel to it! It s very imaginative! A passage from the book: My whole house is a beige-creme world, And my grandpa s clock counts tick-tock, The water drips, the stairs screech, And I keep dreaming of a sandy beach. And another: It was a high noon many summers ago When a traveling wizard rested here just so. He floated around on a giant lily pad, And made the frogs sing with the magic he had. And another: It will take me up high on a magical quest, Where I ll float to the drowsy land of the West, Where blue ribbons of rivers quietly run Through the meadows lit by the tired sun. First kid to review my book: Dear, Katya I just wanted to tell you how magical and awesome your book was. Believe it or not, but that was probably the best book I have ever read. I love how you said that you would become a Princess up in the willow tree. I also loved how every paragraph had two words that rhymed. Your pictures were so cool...
