

## A Students Text-Book of Astrology Vivian Robson Memorial Edition

Filesize: 4.96 MB

### ***Reviews***

*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Sallie Wiegand)*

## A STUDENTS TEXT-BOOK OF ASTROLOGY VIVIAN ROBSON MEMORIAL EDITION

DOWNLOAD

Astrology Classics. Paperback. Book Condition: New. Paperback. 308 pages. Dimensions: 8.5in. x 5.5in. x 1.2in. The year before he wrote his famous book on fixed stars, Vivian Robson (1890-1942) wrote this one. In it, he put the distillation of four years intense work, spent in the British Museum Reading Room, where he studied very nearly every astrology book ever written, in English and Latin. To this day, he is virtually the only man to have ever undertaken a study of this magnitude. What makes the Students Text-Book of Astrology unique is its unparalleled wealth of detail. Topics include Personal Appearance, Character and Mind, Health and Accidents, Finance, Occupation, and much more. For each, Robson gives specific rules of judgment and then supplies aphorisms collected from many ancient sources. The result is one of the most comprehensive astrology books ever written. . . . In private conversation he would talk for hours on the science of which he was a master. Indeed, his knowledge, not only of astrology but of many other sciences, was phenomenal; and few who enjoyed his conversation could fail to go away with an enhanced knowledge of whatever subject had been under discussion. He will be remembered best by his two chief books, A Students Text-book of Astrology and The Fixed Stars and Constellations in Astrology. Of these the former is deservedly popular and the latter is a classic, containing as it does a mass of information dating from the days of Greek mythology up to modern times. - C. E. O. Carter I have heard him converse knowledgeably on a dozen and one different subjects. I really believe he knew something about everything, but so far as astrology was concerned his versatility showed forth in a phenomenal knowledge of his subject. To converse on astrology with him,...
