It allows participants to understand the purpose of the program and provides guidelines to maximize use. Chapter 2 describes roles and responsibilities within the program and allows all participants to understand their interaction and why their duties are unique. Chapter 3 illustrates the different processes associated with the procurement of goods or services and special payments involved in the program and the timing of each participant s duties. This chapter assists participants in understanding the chronological flow of different tasks. The subsequent appendices provide process matrices and sample forms. ATP 1-06.2 was developed to expand on FM 1-06, Financial Management Operations, Chapter 2, Fund the Force.
