

Digital Audio Essentials

By Bruce Fries

O'Reilly Media. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 9.6in. x 8.0in. x 0.8in. Join the digital audio revolution! Tens of millions of users are embracing digital music, and with Digital Audio Essentials, you can, too. Nearly every personal computer built in the last few years contains a CD-burning drive; MP3 and other portable player sales dominate the consumer electronics industry; and new networkable stereo equipment lets you use your digital music collection to power your home entertainment system. Whether its downloading music, ripping CDs, organizing, finding, and creating higher quality music files, buying music players and accessories, or constructing a home stereo system, Digital Audio Essentials helps you do get it done. An indispensable reference for music enthusiasts, digital archivists, amateur musicians, and anyone who likes a good groove, Digital Audio Essentials helps you avoid time-consuming, costly trial and error in downloading audio files, burning CDs, converting analog music to digital form, publishing music to and streaming from the Web, setting up home stereo configurations, and creating your own MP3 and other audio files. The book--for both Mac and PC users--includes reliable hardware and software recommendations, tutorials, resources, and file sharing, and it even explains the basics of the...
