## THE HAUNTING OF SUNSHINE GIRL

Book Condition: New. Publisher/Verlag: Macmillan Publishers International | Geek Girl meets Paranormal Activity in this first instalment in the spine-chilling new series based on the wildly popular YouTube sensation The Haunting of Sunshine Girl Network . | The Haunting of Sunshine Girl is the first in a frighteningly good new series based on the popular YouTube sensation The Haunting of Sunshine Girl Network , created by Paige McKenzie. In that place where you&apos;re more asleep than awake any more, I hear something else. A phrase uttered in a child&apos;s voice, no more than a whisper: Night Night .Something freaky&apos;s going on with Sunshine&apos;s new house . . . there&apos;s the chill that wraps itself around her bones, the giggling she can hear in the dead of night, and then the strange shadows that lurk in her photographs. But the more weird stuff that happens, the less her mum believes her. Sunshine&apos;s always had a quirky affiliation with the past, but this time, history is getting much too close for comfort . . .If there is something, or someone, haunting her house, what do they want? And what will they do if Sunshine can&apos;t help them?As things become more frightening and dangerous, and the giggles she hears turn to sobs and screams, Sunshine has no choice but to accept what she is, face the test before her and save her mother from a fate worse than death. | Format: Paperback | Language/Sprache: english | 233 gr | 198x130x20 mm | 320 pp.
