Ediciones B, Spain, 2008. Paperback. Book Condition: New. Translation. 228 x 150 mm. Language: English, Spanish. Brand New Book. When a foreign exchange student is found murdered at an Iowa University, Deputy Sheriff Clyde Banks finds that his investigation extends far beyond the small college town all the way to the Middle East. Shady events at the school reveal that a powerful department is using federal grant money for highly dubious research. And what it's producing is a very nasty bug. Navigating a plot that leads from his own backyard to Washington, D.C., to the Gulf, where his Army Reservist wife has been called to duty, Banks realizes he may be the only person who can stop the wholesale slaughtering of thousands of Americans. It's a lesson in foreign policy hell never forget.
