Say hello to Myles Standish, a fiery man with short legs and an even shorter temper. When he got mad his face turned as red as his hair, earning him the nickname Captaine Shrimpe. Its a story that has been told for almost 400 yearshow a brave band of people set sail on the Mayflower to find a new life in America. By weaving her chatty, narrative text with her incredibly detailed artwork, award-winning author-illustrator Cheryl Harness makes readers feel as though they are part of the adventure. Students will discover all sorts of things they never knew before: that a teenage boy almost blew up the Mayflower and that the first Indian the Pilgrims met greeted them in English! Theyll learn more serious things, too: all about why they came, the hardships they suffered, the people they met, and the successes they achieved. Middle-graders will experience one of historys great adventures as only Cheryl Harness can tell it. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
