By Sarah Michaels, Andrew W. Shouse, Heidi A. Schweingruber, Board on Science Education, Center for Education

National Academies Press. Paperback. Book Condition: new. BRAND NEW, Ready, Set, Science!: Putting Research to Work in K-8 Science Classrooms, Sarah Michaels, Andrew W. Shouse, Heidi A. Schweingruber, Board on Science Education, Center for Education, What types of instructional experiences help K-8 students learn science with understanding? What do science educators, teachers, teacher leaders, science specialists, professional development staff, curriculum designers, and school administrators need to know to create and support such experiences? Ready, Set, Science! guides the way with an account of the groundbreaking and comprehensive synthesis of research into teaching and learning science in kindergarten through eighth grade. Based on the recently released National Research Council report Taking Science to School: Learning and Teaching Science in Grades K-8, this book summarizes a rich body of findings from the learning sciences and builds detailed cases of science educators at work to make the implications of research clear, accessible, and stimulating for a broad range of science educators. Ready, Set, Science! is filled with classroom case studies that bring to life the research findings and help readers to replicate success. Most of these stories are based on real classroom experiences that illustrate the complexities that teachers grapple with every day....
