Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Everett Stanton)

TO TEMPT THE DEVIL

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. For years, Rafe Fletcher wandered the world, an assassin-for-hire and one of Europe's most feared swordsmen. It's a fitting life for a man who once beat his own brutish stepfather half to death, one of many sins for which he hopes to atone upon his return to London. Yet redemption proves elusive when he reunites with Lizzy Croft. A child when Rafe left, Lizzy remembers her dear friend's brooding brother all too well. And though dismayed to now find herself drawn to his dark good looks, she hasn't forgotten how dangerous he can be. She dare not trust him until the Master of Revels is murdered and Lizzy becomes the prime suspect. Suddenly Rafe is the only man she can trust, the only man who can protect her as they race to unmask the true killer. As her heart begins to thaw to the mysterious rogue, Lizzy wonders if loving him is the greatest risk of all.
