Alexis-Jeovonni Tenetti is the most prolific legal mind of her time. Her ability to out-think everyone else has kept her successful and in control of almost every aspect of her life. She is all too aware that control comes at a cost and is often a privilege of those in power. The one time she forgets that fact and relinquishes her control results into the living nightmares that chase her even in her waking hours. Sometimes the only way to regain control is to stop playing the game. Elliot Alan Quillen had everything at his fingertips until a tragic accident stole his future. Deciding the brass ring dangling in front of his face is no longer an incentive for letting others control him, he walks away from everything his privilege has offered him. One encounter with the manipulative A.J. teaches Alan to suppress his desire for the lady lawyer and her infuriatingly arrogant mouth. If only he...
