The University of North Carolina Press, United States, 2014. Paperback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.The fifth volume of *A History of the Book in America* addresses the economic, social, and cultural shifts affecting print culture from World War II to the present. During this period factors such as the expansion of government, the growth of higher education, the climate of the Cold War, globalization, and the development of multimedia and digital technologies influenced the patterns of consolidation and diversification established earlier. The thirty-three contributors to the volume explore the evolution of the publishing industry and the business of bookselling. The histories of government publishing, law and policy, the periodical press, literary criticism, and reading--in settings such as schools, libraries, book clubs, self-help programs, and collectors societies--receive imaginative scrutiny as well. The *Enduring Book* demonstrates that the corporate consolidations of the last half-century have left space for the independent publisher, that multiplicity continues to define American print culture, and that even in the digital age, the book endures. Contributors: David Abrahamson, Northwestern University; James L. Baughman, University of Wisconsin-Madison; Kenneth Cmiel (d. 2006); James Danky, University of Wisconsin-Madison; Robert DeMaria Jr., Vassar College; Donald A. Downs, University of Wisconsin-Madison; Robert W. Frase (d. 2003); Paul C. Gutjahr, Indiana University; David D. Hall, Harvard Divinity School; John B.
