### ***Reviews***

*It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Parents: Is your child's essay, book report, English language paper marked as unimaginative, poor vocabulary, no creativity, C grade? Then CLASSICS: Why we should encourage children to read them is THE BOOK for you and them. There is a story behind the making of Fiza's third book CLASSICS: Why we should encourage children to read them. In middle school Fiza was feeling the difference in the teaching methods adopted by her teachers. She lagged behind in studies until she came across a beautiful classic. From then on Fiza never lacked for friends. Her language skills, creativity, imagination and grades improved so that she cleared her tenth-grade with a distinction. She adopted the very same techniques in college and graduated in Arts with a first class in History and Sociology. She repeated her performance when she was learning to be a teacher. She shares her journey with classics, what classics have done for her and what it can do for you in her latest book. Margaret Kell Virany Author of A Book of Kells: Growing Up in an Ego Void reviewing the Kindle version for Amazon said: I found this book great fun and motivational to read and think others will too. Fiza Pathan states her case with passion, personality and precision. This book is only 90 pages long but can do a lot to rejuvenate not just literacy but humanity also. Written in a style easy to understand the book deals with the following topics: Why we should read classics Favourite Classics (for boys and girls) Improves Language Skills and Vocabulary Develops Your Imagination General Knowledge Check this out Descriptive Powers Love for Literature and Classics Artistic and Scientific...
