Vintage. Paperback. Book Condition: New. Paperback. 464 pages. Dimensions: 8.0in. x 5.1in. x 1.1in. National Bestseller For a man who insisted that life on the public stage was not what he had in mind, Thomas Jefferson certainly spent a great deal of time in the spotlight--and not only during his active political career. After 1809, his longed-for retirement was compromised by a steady stream of guests and tourists who made of his estate at Monticello a virtual hotel, as well as by more than one thousand letters per year, most from strangers, which he insisted on answering personally. In his twilight years Jefferson was already taking on the luster of a national icon, which was polished off by his auspicious death (on July 4, 1826); and in the subsequent seventeen decades of his celebrity--now verging, thanks to virulent revisionists and television documentaries, on notoriety--has been inflated beyond recognition of the original person. For, at the grass roots, Jefferson is no longer liberal or conservative, agrarian or industrialist, pro- or anti-slavery, privileged or populist. He is all things to all people. His own obliviousness to incompatible convictions within himself (which left him deaf to most forms of irony) has leaked out into the world at large--a world determined to idolize...
