Brand New Book ***** Print on Demand *****.International terrorism has long been recognized as a serious foreign and domestic security threat. This issue brief examines international terrorist actions and threats and the U.S. policy response. Available policy options range from diplomacy, international cooperation, and constructive engagement to economic sanctions, covert action, physical security enhancement, and military force. A modern trend in terrorism is toward loosely organized, self-financed, international networks of terrorists. Another trend is toward terrorism that is religiously- or ideologically-motivated. Radical Islamic fundamentalist groups, or groups using religion as a pretext, pose terrorist threats of varying kinds to U.S. interests and to friendly regimes. A third trend is the apparent growth of cross-national links among different terrorist organizations, which may involve combinations of military training, funding, technology transfer, or political advice. Looming over the entire issue of international terrorism is a trend toward proliferation of weapons of mass destruction (WMD). For instance, Iran, seen as the most active state sponsor of terrorism, has been aggressively seeking a nuclear arms capability, and North Korea has both admitted to having a clandestine program for uranium enrichment and claimed to have nuclear weapons. (See CRS Issue Brief IB91141, North Korea s Nuclear Weapons Program.) Indications have also surfaced that Al .
