Every group of people is precious in His sight. Nothing is Impossible with God. he Lord is the same today as He was back in Bible times. Miracles happen each and every day. My life is no exception. This book will give the reader a whole new perspective about the Lord and His love. This book is about the many lessons the Lord has shown me over the years. This book uses life experiences, poetry, songs, notes, and challenges to show the Lord s love. This book is intended to be used as a study guide into the Lord s heart. The Lord has healed my life dramatically. I was declared as being mentally retarded by doctors. I was told that I would never be able to think for myself, drive, have a job, etc. I was counted out as not having a plan and purpose for my life. Fortunately, the Lord had other plans for my life. The Lord has healed me from mental retardation and has provided me with great family, excellent friends, a wonderful career as an accountant, an MBA in accounting, and a wonderful life. My life is one of the many testimonies of the Lord s love and glory. My healing was not the result of my goodness but rather it was the result of the prayers and love of people the Lord has brought into my life. My healing is not the end of the story but merely the beginning. The Lord reveals Himself in many different ways. As one reads the different lessons in this book, I hope that the reader will..
