

Juggling Your Finances: Basic Math Primer (Paperback)

By M L Humphrey

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Understanding basic math is crucial to managing your finances. In this primer, M.L. Humphrey walks readers through how to perform addition, subtraction, multiplication, and division on a calculator using examples related to budgeting and personal finances. This primer is designed for those who aren't comfortable enough yet with addition, subtraction, multiplication, and division. The other pamphlets in the Juggling Your Finances series address how to actually calculate your own numbers and what to do with them.
