It would be most unfortunate if this institution should be hampered in the working out of these commendable plans, and it is hoped that the men in this country to whom it is felt we can reasonably look to furnish substantial encouragement to so worthy a cause will take the necessary steps to insure the permanent efficiency of the institution. It is gratifying to learn that among those who are already displaying an active interest in this movement are many men of large means belonging to the class referred to whose generous attitude toward meritorious projects for the advancement of art in the past has been of benefit to the country at large. held this year in the Coliseum, is just drawing to a close. These annual exhibitions which...

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
