Excerpt: . . . 12 be transferred were worked out directly with our office, and they were worked out collegially. And so we are both satisfied that were going to be able to continue to carry out our mission, and were committed to making the transfer of responsibilities both smooth and effective. I want to talk briefly about the functions first, in title III, which is the technology area, and then very briefly in title V. With re-spect to title III, the capabilities that are being proposed for trans-fer are now within my Nonproliferation and Verification Research and Development Program. Now, that program has three elements. It has an element, about a third of it - the whole program is about 286 million - somewhere around a third of it is nuclear explosion monitoring, and that will remain in the Department of...
