Brand New Book ***** Print on Demand *****.Do you ever wonder What do I want to do? or What s wrong with me? or Where did I go wrong? or Now what? Sometimes we can feel as if we are at sea, drifting through life without direction. We tried to do everything right, but it hasn t worked out as expected. Perhaps we even achieved important goals but then found them unsatisfying or not worth the cost. Or an unexpected loss wrought havoc on our carefully laid plans. Are you searching for life s meaning and path, or feeling uprooted from home, family, marriage, or job? This book provides no answers. We believe that what you are searching for was always there, inside you, and that only you can find your personal answers. There is no easy recipe to follow. It will take time and introspection to uncover exactly who you are and were meant to become. Passport 2 Purpose is intended as a sort of guidebook on your life journey. Instead of telling you what sights to see, it leads you through short, personal explorations that will help you to better set and adjust your own course. But growth usually comes from pain: that is when we are receptive to learning because we realize that we don t know everything. Recognizing, understanding, and managing our feelings can put us back in control of our lives. At times, life can feel...
