HARD RAIN FALLING

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Amy and Luke have survived four months in a savage land completely disrupted by the massive power outage, but this last leg of their journey will demand all of their courage as the pair navigate a desperate landscape. Now, new factions begin to take action, and sudden violence signals a change in someone s policies. As they begin this last sprint across a war-torn countryside, Luke will need to reach deep for his last ounce of determination if he intends to ever make it home alive. Learn more about Luke s past and find out some stunning truths about the government s plans for a future America. What is the endgame, and who will live to see it unfold? And finally, will Luke and Amy s love endure, or will their travels together end with a bullet? Disclaimer: Despite the relative youth of the two main characters, this is not a series aimed at the young adult crowd. This story, like the others in the series, address mature themes. This is the third book in a series that contains examples of gun violence, casual profanity, some mature sexual content, and references to drug use and underage drinking.
