# A LITTLE HISTORY OF SCIENCE

Yale University Press. Paperback. Book Condition: new. BRAND NEW, A Little History of Science, William F. Bynum, Science is fantastic. It tells us about the infinite reaches of space, the tiniest living organism, the human body, the history of Earth. People have always been doing science because they have always wanted to make sense of the world and harness its power. From ancient Greek philosophers through Einstein and Watson & Crick to the computer-assisted scientists of today, men and women...
