Hodder Stoughton General Division, United Kingdom, 2015. Paperback. Book Condition: New. 200 x 131 mm. Language: N/A. Brand New Book. A GORGEOUS, ACCOMPLISHED DEBUT DAVID MITCHELL (Independent Books of the Year) In Corpus Christi, Texas - a town often hit by hurricanes - parents, children, and lovers come together and fall apart, bonded and battered by memories of loss that they feel as acutely as physical pain. A car accident joins strangers linked by an intimate knowledge of madness. A teenage boy remembers his father's act of sudden and self-righteous violence. A hurricane party reunites a couple whom tragedy parted. And, in an unforgettable three-story cycle, an illness heals a man's relationship with his mother and reveals the odd, shifting fidelity of truth to love. Told in fresh, lyrical voices and taut, inventive styles, these narratives explore the complex volatility of love and intimacy, sorrow and renewal. Writing with tough humor, deep humanity, and a keen eye for the natural environment, Bret Anthony Johnston creates a world where cataclysmic events cut people loose from their regular lives, floating and spiraling away from where we had been the day before. The extraordinarily ambitious debut of one of contemporary American most exquisitely talented voices, now available from Two Roads in a new paperback edition.
