LINCOLN S LAST HOURS (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.At the historic pageant in Washington, when the remains of President Lincoln were being taken from the White House to the Capitol, a carriage immediately preceding the catafalque was assigned to me. Outside were the crowds, the martial music, but inside the carriage I was plunged in deep self-communion, until aroused by a gentle tap at the window of my carriage door. An officer of high rank put his head inside and exclaimed: Dr. Leale, I would rather have done what you did to prolong the life of the President than to have accomplished my duties during the entire war. I shrank back at what he said, and for the first time realized the importance of it all. As soon as I returned to my private office in the hospital, I drew down the window-shade, locked the door, threw myself prostrate on the bare wood floor and asked for advice. The answer came as distinctly as if spoken by a human being present: Forget it all. I visited our Surgeon General, Joseph K. Barnes, and asked his advice; he also said: Cast it from your memory.
